Purpose

A whip cracked over Alexi's back and he sighed.

Every reddening welt? Made him whole.

Every cut done in the past? A reminder of his weakness, his inability to cope.

That all changed when Janne joined.

He brought a sense of calm.

Anytime he had a moment of weakness? Janne was there.

He knew when Alexi needed him. Alexi couldn't explain it.

He just did.

There to right Alexi on the sinking ship that was his life.

Alexi took another hit, knowing everyone had a purpose.

His purpose was to stay alive.

Janne's purpose was to make sure he did.
